ORDER

Having considered the stipulation between plaintiff and the sole removing party, the United States Army Corps of Engineers, and good cause appearing, IT IS ORDERED that:

1. The sole removing defendant, the United States Army Corps of Engineers, is dismissed from this action with prejudice pursuant to Federal Rule of Civil Procedure 41(a)(1)(A)(ii);
2. Accordingly, the United States Army Corps of Engineers' motion to dismiss (ECF No. 4) is DENIED as moot, and all previously set deadlines and hearings in this case are VACATED; and
3. As no basis remains for removal of this action from the Superior Court of California for the County of Sacramento remains, this matter is remanded to that court immediately.
